Yerevan City

Yerevan is Armenia's capital city and has an exciting blend of post-Soviet grandeur and Western modernism. Safe, clean and exciting tourist attractions including museums, galleries and interesting architecture draw thousands of visitors each year. Armenia's rich culture is celebrated via traditional live performances, at modern venues, jazz clubs and outdoor cafes.

Rural Armenia

A short drive from Yerevan lies the soul of Armenia-its rural villages. Agriculture is prevalent and visitors often marvel at the simple beauty in rural Armenia. An overnight visit to the Lori Region will put guests in touch with village sites and

sounds. A short hike to the secluded monastery of Kobayr will lead visitors through a typical village.

Historic Monasteries

Armenia is the first country in the world to adopt Christianity as its official religion. Participants will visit the oldest cathedral in the world, St. Etchmiadzin, the Holy See of the Mother Church. Visits to several other sites including Khor Virab, Geghart & Noravank will paint a vivid picture of the Armenian struggle to worship, adopt and defend their faith.

DON'T MISS OUT ON THIS ONCE IN A LIFETIME OPPORTUNITY TO EXPERIENCE THE BEAUTY OF ARMENIA.

* This journey through Armenia is coordinated by The Paros Foundation in partnership with Sima Tours and group leaders, Jeanette Boras and Charlene Asdourian.
