

Depuis Washington , Elizabeth de l'ANCA

The House Rules Committee cleared the path for full House consideration of an amendment by Congresswoman Judy Chu (D-CA) supporting the deployment of gunfire locators, the addition of observers, and the non-deployment of snipers, heavy arms, and new weaponry along the Artsakh line-of-contact.

The decision sets the stage for a House vote on the ANCA-backed measure during consideration of the National Defense Authorization Act (H.R.....
