

**Une étude sur la cigarette & la  
santé : Participez !**

Dear friends,

This is a personal request.

My niece Sosi Dzhugarian is a third year medical student at Touro University, California. She is working on a project related to exercise and smoking habits of Armenians. See the details below the dotted line.

Your cooperation is greatly appreciated.

Thank you for your attention to this matter.

Respectfully,

Dikran Abrahamian MD

I am currently working on a research project, and we are looking for individuals of Armenian descent who would like to participate. I am including the details below. If you could please forward this information to family, friends, or anyone of Armenian descent who you think may be interested in completing the survey, I'd really appreciate it! The survey works on both computer and mobile devices. Thank you!

We are conducting a survey as part of a research study on the exercise and smoking habits of Armenians. Individuals who are of Armenian descent and are 18 years or older are eligible to participate. Participants who complete the survey can choose to participate in a raffle to receive one of fifteen \$30 Amazon eGift cards. The survey will take less than 15 minutes to complete. No identifying information will be collected. Participation is completely voluntary. You may distribute this information to individuals of Armenian descent who you think may be interested.

The survey can be accessed at the following link:

If you have any questions or concerns, please feel free to contact Sosi Dzhugarian at [sosi.dzhugarian@tu.edu](mailto:sosi.dzhugarian@tu.edu) or at 818-425-4362 (text or call).

Thank you,

Sosi Dzhugarian
