Aixam Coupe

Aixam Coupe has an engine with a cubic capacity of 400 cm³ which develops 5,4 HP, so the maximum speed is 45 km/h. You will have a lower consumption at every 100 kilometers and the tank capacity is also smaller (16 liters, more precisely). In this beautiful car, there can fit two people, and if you want to include air conditioning, you have to pay another 1,040 euros.

Aixam Crossline is not very different from the previous cars in terms of price. The S Coupe version will cost you 9800 euro, while the Premium Coupe versions and GTI Coupe will cost 11800 euros respectively, 11500 euros.

Chatenet CH26

The most popular brand in this market segment is Chatenet CH26. It has an engine with a cubic capacity of 523 cm³, which develops 5,4 HP, similar to Bellier Jade Classic. The maximum speed is 45 km/h and the consumption is 3 liters per 100 kilometers. The trunk has a capacity of 600 liters and the price of the car is 13.025 euros. If you want the sport version, it will cost 910 euros more.

Bellier Jade Classic, has a diesel engine, with a cubic capacity of 523 cm³, which develops 5,4 HP. The maximum speed it can achieve is 45 km/h and the tank capacity is 20 liters. Don't worry about the consumption, which is only 3.2 per 100 kilometers. The car weighs only 390 kilograms, but its capacity is only for two people. If you're interested in this model, you should know it's available at 9,900 euros.
