ACAA (Armenian Cultural Association of America)

Armenian Cultural Association of America

Since 1969, the Armenian Cultural Association of America, Inc. (ACAA) has been sponsoring hundreds of projects to benefit Armenia, Artsakh and the Diaspora. Each year, the ACAA grants funds to support the Hairenik and Armenian Weekly newspapers as well as the scholarly Armenian Review periodical. Over the last two years, the ACAA also funded the creation of the new, state-of-the-art Antranig and Alice Karjian Hairenik Media Center.

Through its Artsakh Fund, the ACAA allocated over \$350,000 in the aftermath of the devastating 2020 Artsakh war to support the families of wounded and fallen soldiers as well as rebuild vital infrastructure. The ACAA has supported cultural and recently-created website for the archives of the Armenian Revolutionary Federation.

For over 50 years, the ACAA has been supporting our community. Please consider making a tax-deductible donation on Giving Tuesday.
