POWER, RESISTANCE AND THE PRODUCTION OF TRUTH

A PRESENTATION BY PROFESSOR TANER AKÇAM

Killing Orders is a groundbreaking study of the telegrams from Talaat Pasha containing orders for the killing of Armenians. At the same time, it is a case study of how to derail a systematic plan to hide and dismember the truth.

Join **Taner Akçam** as he deconstructs Turkey's denialist façade, and, for the first time in the metropolitan area, investigates certain critical aspects of the interplay between facts, truth and denial, explores the creation and resonance of false narratives and shares game-changing discoveries from Father Hovhannes Gevorgian's archives.
