

Le media “Armenian Weekly” publie un spécial AYF Olympics et appelle au sponsoring et aux dons

✉ Dear Readers and Donors,

Each year, the Armenian Weekly publishes a special insert on the AYF Olympics, which—in addition to providing the results of the games—features special coverage submitted to us by our devoted correspondents out in the field; text and images that craft a compelling picture of what Diasporan youth look like today, and which help document an important tradition in our community.

If you would like to sponsor this special issue, please visit the **AYF Olympics Special Issue sponsorship page** and make your donation online. Sponsoring the issue costs \$100 and supports our commitment of providing in-depth coverage to one of the most anticipated youth events on the East coast.
