

## **L'accès aux fonctions de Nayiri (Nayri en français) Nahabedian**

On April 21st, I took the Oath of Office for GUSD's Board of Education. I am humbled to take this responsibility again, and I will continue to work with you to ensure the success of our schools and students.

As we make difficult changes, we must recognize that we can only succeed if we work together. As a district, we will continue doing our best to ensure that our school communities have the resources they need to successfully undertake these new changes and the challenges that come with them. I recognize that much is being asked of everyone! We will all remember this time and what we did to help our kids.

We move forward with calm minds, open hearts, and ...

Best,

Nayiri
