

Avec le pianiste de Jazz Tigran Hamasyan & One Armenia

Dear 1A Family,

Whether you've donated funds, or given your time and energy to end the humanitarian crisis in Artsakh, we thank you. On Tuesday we announced a \$300,000 match fund to triple all donations to our fundraiser supporting the All Armenia Fund. The fund capped out in less than 24 hours – keep reading after the fold for a summary of our triple match drive.

We're excited to bring you another opportunity to double your donations to the All Armenia Fund. We're collaborating with jazz pianist Tigran Hamasyan to continue sending critical humanitarian aid to Artsakh. To keep donations in one place and inspire THE WORLD to stand up for Artsakh, we're raising funds with Tigran on Facebook. All donations to this fundraiser will be matched offline, up to \$200,000, and sent immediately to the All Armenia Fund. If you can, please donate, and definitely share the fundraiser with your friends and family. A share on Facebook costs nothing, but goes a long way. Here's the link:
