SANS FRONTIÈRES

La fondation Paros Foundation a collecté 100 000

**WE DID IT! TOGETHER WE RAISED
\$100,000 FOR ARTSAKH**

x2 = \$100,000 for ArmeniaFund

With your generous support, and that of the generous anonymous support of those donors who established and increased the challenge match,
we raised \$100,000 for the Armenia Fund!

Our work is not over.

Make no mistake, our fight has just begun. On October 10th, a humanitarian ceasefire was brokered in Moscow between Armenian and Azerbaijan. It is unclear if this ceasefire will stick, or only be used as an excuse to give Azerbaijan a chance to regroup. The Armenian Defense Ministry was announcing heavy attacks on civilians in Hadrut beginning 30 minutes after the start of the agreed upon time. Drone strikes also took place in Armenia's Syunik region's Artsvanik village. Once the attacks have stopped, we will turn our attention to the task of rebuilding these communities. In the coming days we will extend our Emergency Reconstruction Fund that was established in July following the brutal attacks against civilian communities in Armenia's Tavush Region to help address the monumental task ahead of our community in rebuilding Artashk.

[Learn More](#)

We must remain active and support the aggressive effort spearheaded by the Armenian National Committee and Armenian Assembly to cut all military aid to Azerbaijan and Turkey along with their other critical initiatives.

This war is being fought on the battlefield, in the media and in diplomatic circles and we must do whatever we can to win.

Making An Impact

The Paros Foundation was launched in 2006 and has implemented more than \$8.2 million worth of projects in Armenia through its unique model of philanthropy and community partnership. These projects are located throughout the country with the majority of work focused in Gyumri and in the Tavush Region, along the border with Azerbaijan. Thanks to the generous support of the Strauch Kulhanjian Family, all administrative expenses are underwritten, allowing 100% of donor contributions to be allocated in their entirety to the projects.
