Funeral Service

It is with great sorrow we announce the passing of our dearly beloved Fredrik Vartanian, the director and co-founder of Ararat Foundation, born October 30th, 1953 and passed away on Monday, December 7, 2020.

Fredrick Vartanian, was an incredible human being who loved his people and country immensely. He gave everything he had for Armenia, Artsakh and the Armenian people. He helped so many and brought aid and relief to many families in Armenia & Artsakh throughout the years. It is hard to believe that we have lost such a man as himself, a humanitarian, a husband, a father, a friend, an amazing soul, who thought only of helping others, his country and people before himself. His memory will always live on in our hearts.

His legacy shall live on and we shall continue to do the great work he started.
