

Les crimes de guerre de l'armée de l'Azerbaïdjan

War Crimes Committed by the Azerbaijani Government
from 27.9 – 10.11.2020

By Mariam Nazaretyan, Esq. and Haig Ter-Ghevondian, J.D.

Research compiled of war crimes committed by the Azerbaijani Armed Forces, Azerbaijani government, and, in some instances, Turkish government during the 2020 Artsakh war. It is highly likely that this chart may not include all violations. If you know of any violations that were not included, please do not hesitate to contact us.

This chart is a starting point to document the war crimes that occurred from September 27 to November 10, 2020 and should not, by no means, be referenced as a source. We highly encourage you to conduct your own research as well.

TRIGGER WARNING Please be aware that some of the media included under the “links” section contain sensitive and/or triggering material. Some descriptions under the “example(s) of violations” section may also contain sensitive and/or triggering material. Most have been marked, but there is the potential that not all have been flagged.

International Law / Statute

Example(s) of Violations

Date

Link

Recruitment, use, financing and training of mercenaries in violation of:

Protocol I to the Geneva Convention – Article 47(1);

International Convention against the Recruitment, Use, Financing and Training of Mercenaries – Article 2; and/or

International Convention against the Recruitment, Use, Financing and Training of Mercenaries – Article 5(1) and (2).

Rebels from Syria recruited to fight against Armenians in Artsakh.

This information has also been confirmed by European, Armenian, and Russian authorities.
