Share your views about Armenian life in the United States & Ontario, Canada

We are delighted that the Armenian Diaspora Survey (ADS), a public opinion study

project, has been launched in the United States & Ontario, Canada.

We invite you to share your thoughts and views about identity, culture, and community and help us gain a better understanding of the Armenian diaspora.

The survey will be available across the United States & Ontario, Canada until July

29, 2022. Your answers will remain anonymous and the results will be made public

early next year through the ADS website.

Your views and ideas are important. Make your voice heard by completing the questionnaire at www.armeniandiasporasurvey.com.

We kindly ask your help in spreading the word by forwarding this email to your friends and family currently living in the United States and Ontario, Canada.

The study is funded by the Calouste Gulbenkian Foundation and administered by the

Armenian Institute in London. For more information, please consult ADS's Frequently

Asked Questions and Privacy Policy.

Many Thanks!
